

Matrix: Disposal Facilities

Disposal Site/Matrix	PBDEs identified	Quantity	Possible Options to Contain PBDEs	Potentially Exposed Human Populations of Concern	Potential Environmental Pathways of Concern	Policy Questions	Additional Questions/ Data Needed
Solid Waste Landfills							
Gas							
Leachate							
C & D Landfills							
Gas							
Leachate							
Solid Waste Incinerators							
Ash							
Emissions							
Sewage Sludge Incinerators							
Ash							
Emissions							
Sewage							
Influent							
Biosolids							
Treated sewage effluent							

Matrix: Products

Product	General Info.	Reuse	Recycle	Landfill	Incineration
e.g., Upholstered furniture					
PBDE type					
PBDE use in product (vol. per unit and total over time)					
Average life of product					
PBDE volume in product at end-of-life					
PBDE fate					
Annual product volume- current and projected					
Annual volume of PBDEs in products at end-of-life- current and projected					
Potentially exposed human populations of concern					
Potential environmental pathways of concern					
Policy questions					
Other questions
